

March 20, 2024 CAST Minutes

Present: John Reid, Dana Clawson, Lee Michaelides, Laura Simon,

Public: Nadim Kassir, Brandon Smith, Dan Montgomery (Lebanon Energy and Efficiency)

Amended Minutes from the February 2024 meeting were not approved due to the lack of a quorum.

Dana's update: Dana is working on a plan to lower the greenhouse gases from the ice rink in order to apply for a grant of federal money granted via state. He is also working on grants to add heat pumps to the fire house and police station. Still waiting to hear about the geothermal bill. He hopes to get bylaws written next month.

Plastic & Styrofoam: Dana and Jen will address the Rotary on the topic next week. John wants to update them on the role of volunteers in operation.

Municipal Facilities Tours: Dana will do one municipal building tour a month. Next tour will be for the waste water treatment plant, followed by Bugbee and then the DPW building.

Hotel Coolidge: John asked for an update on the status of the municipal corporations proposal. (This is in connection with the geothermal project.) Dana responded that the first step requested by the town manager would be collection of information from VT towns which have municipal corporations."
