Hartford, VT Community Safety and Wellbeing Survey

To HCOREI Members:

I am part of a committee of town residents and consultants working to develop an assessment of community safety here in Hartford. We know that you have deep connections within our local community, and so we would like to ask for your help in engaging with members of your network. Your support will help to ensure that we are hearing from as many voices as possible. We are hoping that you will take a few minutes to fill out this survey.

Here: [Hartford, VT Community Safety and Wellbeing Survey](#)

Another way you could help us would be to support the distribution of this electronic survey to people and organizations in the Hartford community that you regularly work with. Please feel free to share this link with others who live or work in Hartford.
