Directors Report

Scott distributed Significant Activity Report. Everyone agreed to read it outside of meeting time since our agenda for this meeting was to tour a number of parks and facilities.

Old Business

No discussion.

New Business

Toured Lyman Point Park. Scott described the status of improvements in progress and ongoing in the park. Some discussion of possible future changes, developments, and improvements to the park including possible relocation or change to the bandstand, possible walking path connecting the east and west sides of the park, and possible overlook over the river at the junction of the White and Connecticut rivers in the east section of the park. We also visited and toured Veterans Park to see the new monument and other improvements. We

visited and heard information presented by Scott but did not tour Frost Park, Kilowatt North and South, and Ratcliffe Park.
