VII. Public Comment: There were no public comments on topics that were not discussed at this meeting.

VIII. Selectboard Comment

Dennis Brown was attending a *Teams* meeting that was not going well at all. He asked the staff member if they ever got training on *Zoom or Teams* and they answered no. Mr. Brown is hoping that coming into Budget Season that money could be added to the budget to train our employees and the Board on these. Mr. Brown also talked about the roundabouts and the issues of having trees in the middle. He was told nothing could be there for safety reasons and now there seems to be high curbing and trees that could not be driven through as the State said you could. He believes we missed the boat on having a Welcome to Hartford sign in the middle instead of the trees.

Lannie Collins wants to know when Cross Street in Quechee paved. The Town Manager will get back to him about this.

Dan Fraser reported the Tree of the Month is the Kentucky Coffee Tree. A few are planted around town. He also announced that in the coming months the agenda for the meetings are packed so if items come up that need to go on the agenda they will be at the end.

Joe Major reported that the pool construction is delayed due to the supply chain is stalled due to COVID. However, the pool will be completed and will open on time.

Mike Hoyt attended the School Board meeting. There were student representatives. School performances will be able to come back to the school. The musical will be Cinderella. Athletics will now have a small student cheering section. They still have masks requirements. The football team is 3 and 0. There is a community meeting tomorrow.

Kim Souza shared that the Town has a number of Commission and Committee openings. These are listed on the Town website.
