1. **Public Comments:** Heidi Duto from WRJ reported that she has observed that the camper is still in the WRJ downtown parking lot. She has called the Police Department. One reason that the parking ordinance is not being enforced is because the signs have not been posted in the parking lot. Dennis Brown commented that he hoped the camper is moved once the signs go up. Ms. Duto also noted that she has observed Simon Dennis building more structures at his home on Latham Works Lane and has no permits to do so. Lannie Collins asked if anyone has reached out to Mr. Dennis. He also suggested that the Town Manager write Mr. Dennis a letter to apply for permits or stop building the structures. The Town Manager suggested we handle this through the usual channels and report it to Jo-Ann Ells, the Zoning Administrator.

Mike Morris from Hartford commented that the camper in the parking lot should be removed the same way the Pick UP camper was removed from the Wilder Park and Ride. Mr. Morris also said that when the parking meters were on the ballot the citizens maybe did not understand and had the wrong perception why they are needed in downtown WRJ.
