Public Comment: There was no public comment.

Coordinators report: Environmental Sustainability Coordinator reported:
Vermont Works for Women and Vermont Adult Education construction and heat pump training wrapped up successfully.

Window Dressers is happening October 2-8 in Sharon.

Leve 2 chargers have been installed in the South Main St Parking Lot.

We are expecting Level 3 chargers to be installed in the spring.

CAST selectboard update: John gave an update to the Hartford Selectboard on Tuesday September 16th. The update was well received and the SB is generally supportive of the work that CAST is doing.

Styrofoam recycling update: Everything is on track for the Styrofoam collection event happening on October 4th.

Water Security: Given the recent drought what can CAST do to help support residents with wells that are at risk of drying up? Possible make a hand out on well maintenance during droughts. Dana will check with DPW on how CAST can support this work.

Vermont Climate Action Plan: This topic was tabled until the next meeting.

Meeting adjourned at 5:55.
