

July 23, 2026 CAST minutes

Present: Dana Clawson, John Reid, Jesse Pollard, Jen Durgin, Lee Michaelides

John reported that Erik Kraus had requested a meeting with him and Miranda Dupre before we voted to change our name and mission, but no such meeting has been scheduled. It may be some time before further action on the Hazard Mitigation Plan is required by DEM. CAST's membership has the experience to edit, update and implement the new Hazard Mitigation Plan.

Jesse made a motion that the name of CAST be changed to the Climate Action and Hazard Mitigation Committee, contingent upon Selectboard approval of the name change and the authority to advance the Hazard Mitigation Plan.

Motion passed; Unanimous vote.
