Appendix A: Open Meeting Law (OML) Need-To-Knows
Compiled by Committee Member Ally Tufenkjian

Meetings:

- Regular meetings must be warned at least 48 hours in advance.
- Remote access is not required by OML; meetings can take place in-person without offering remote access. However, a resident could request remote access to specific meetings.
- Members are allowed to attend meetings remotely.

Minutes:

- Must be taken at every public meeting.
- Must indicate (1) the members present; (2) active participants; (3) motions, proposals, and resolutions made, offered, and considered, and what disposition is made of the same; (4) the result of any votes taken; and (5) a record of individual votes if a roll call is taken.
- Must be posted within 5 calendar days of the meeting.

Digital Communications:

- Members may communicate with a quorum of members to schedule meetings.
- Members may cc a quorum of members on “info only” emails to share key documents etc., as long as other members do not reply to a quorum of members to initiate a “discussion.”
- Committee members cannot reply to a quorum of members addressing business matters or making committee decisions as this would constitute a “meeting.”
Beware Reply-All!
 - Quorum: A majority of the members of a public body, calculated by counting the number of total positions on a board or committee, regardless of any vacancies or recusals.
- A quorum of members cannot simultaneously edit a shared document such as a Google doc as this would constitute a “meeting.”
