Meeting Called to Order

Business:

- 1) Tom Kahl and Jon Bouton will explain the reasons and objectives for their Forest Management Plan and how the proposed timber harvest works towards attaining these goals and then take questions. 30 minutes max.
- 2) Brainstorm ways to highlight the Year of the Tree Proclamation
- 3) Get Quechee Green funding and operational updates including news from the Chamber of Commerce's Board of Director's meeting regarding an additional contribution.
- 4) Take a head count on volunteers to lead 4/23/22 Tree ID walk at Wright Reservoir and set a time the Saturday before (4/16) for a pre-ID walk to determine what species we will identify. The inside of the reservoir is going through a first succession phase and is filled with mainly birches that are about 10 feet tall and very dense.
- 5) Updates on the Tree of the Month program.
- 6) Discuss how we will assist the search for Tree Warden and to fill our one vacant seat on the Tree Board. I told the Selectboard at their 3/8/22 meeting to advertise both positions and they plan to do that.

- 7) Discuss what we could possibly teach Mathew Dragon's Natural Resources Hartford High Class.
- 8) Look over the Shad Tree Plan and finalize it.
